Business Ethics A Textbook with Cases 8th Edition by Shaw ...

This book by William Shaw is a deeply philosophical writing on the whole issue of Business Ethics - principles that are too often missing in Corporations whose main purpose for establishment seems to be only to 'get what you can, can what you get, and then sit down upon the can' so no one else can get what you have gotten. It addresses from a deeply philosophical view the issues of morality, values, and ethics that are usually displayed in business as a result from ones understanding and ...
