### Dreamers Pool Blackthorn Amp Grim

Dreamer's Pool, the first in the Blackthorn & Grim series by talented author Juliet Marillier, is a solid medieval magical fantasy/mystery. It was also, truthfully, a little too slow-paced for me; I got bored and did a fair amount of skimming in the last half. In fact, I was bored enough that I wrote half of this review two years ago, set it aside and never finished it.

Perhaps somewhat predictable, at least for me, this by no means ruins the tightly bound suspense Juliet Marillier builds in her perfectly crafted novel "Dreamer's Pool", the first in a series.
