Teaching Students how to become a Lifelong Learner

Lifelong learners are motivated to learn and develop because they want to: it is a deliberate and voluntary act. Lifelong learning can enhance our understanding of the world around us, provide us with more and better opportunities and improve our quality of life.

Lifelong Learning | SkillsYouNeed

However, traditional education generally has a beginning and an end which culminates in taking tests. Lifelong learning preserves an individual's desire to obtain new knowledge outside of the formal education system. Developing an attitude where you constantly learn is the only way to succeed in the dynamic environment which we live in today.

10 Simple Ways To Engage In Lifelong Learning

Learn the basics. It can be a grind at times, but you'll be able to remember, connect and figure out all kinds of complicated things through relatively few, simple building blocks if you learn some math and natural-science concepts. You can look up precise formulas and trivia again later, but the concepts will do the most good and save a lot of time in repeated look-ups if mostly learned by heart.
