It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Practice Exam passing score is set to 60% but this is not the MFT National Examination score. A passing or failing score on the practice exam of only 100 questions (actual examination has 200 questions) does not guarantee a similar outcome on the MFT National Examination. It can, however, be a good indication of your preparedness.
