### How Soccer Explains The World

How Soccer Explains the World: An Unlikely Theory of Globalization is a book written by American journalist Franklin Foer. It is an analysis of the interchange between soccer and the new global economy. The author takes readers on a journey from stadium to stadium around the globe in an attempt to shed new insights on today's world events, both from political and economic standpoints. Soccer is here the globalized medium that seems to lend itself to explaining the effects ...

### How Soccer Explains the World - Wikipedia

In this remarkably insightful, wide-ranging work of reportage, Franklin Foer takes us on a surprising tour through the world of soccer, shining a spotlight on the clash of civilizations, the international economy, and just about everything in between. How Soccer Explains the World is an utterly original book that makes sense of our troubled times.

In fact, soccer serves as another example of how an idea or medium can be co-opted for the purposes of propaganda by a group with an agenda to advance. What becomes clear from reading this book is not that soccer helps explain the world but that it reflects the world’s ugliness and beauty in equal measures.
