Property, Plant, and Equipment is a separate category on a classified balance sheet. It typically follows Long-term Investments and is oftentimes referred to as "PP&E." Items appropriately included in this section are the physical assets deployed in the productive operation of the business, like land, buildings, and equipment.

What Costs Are Included In Property, Plant, & Equipment ...

As one of several accelerated depreciation methods, double-declining balance (DDB) results in relatively large amounts of depreciation in early years of asset life and smaller amounts in later years. This method can be justified if the quality of service produced by an asset declines over time, or if repair and maintenance costs will rise over time to offset the declining depreciation amount.
