A much-debated topic ever since the UK-wide referendum was passed in its favour in 2016, Brexit – the withdrawal of the UK from the European Union (EU) – officially came into effect only early last year. Major implications have particularly been felt in the transport and logistics sectors, owing largely to changes in trade and goods flow in and out of the UK. The European Chamber of ...

Teddy Ruxpin's eyes and mouth moved. Wikimedia Commons This talking bear was the world's first animatronic toy, which meant it was the first of its kind to use motors or machines to create a more lifelike bear, according to CNET. Teddy Ruxpin's eyes moved and his mouth was in sync with the narrated stories he told to many children at that time.
